

REVISED 1/16/18

January 12, 2018

To Parents of Band and Orchestra Students,

I am writing to let you know about our current situation with Mr. Royce Ehrle, our Band and Orchestra Teacher. As some of you may be aware, Mr. Ehrle is on medical leave due to an injury that happened over Winter Break. Although his injury is not life-threatening, he will not be returning to his teaching position until early or mid-March, 2018.

At the present time, I am looking to secure a highly qualified long-term substitute for this interim period. This will be for the teaching position only. I recognize that Mr. Ehrle has his student performances scheduled for the remainder of the year. These upcoming concerts may need to be cancelled, so I ask for your patience, as I determine concert status through the end of March, 2018. This letter will be posted on our Falcon Creek website, and may be subject to change. **Please check our website frequently for the latest information.**

Please feel free to contact Julie Cummings, Athletics and Activities Director (720 886-7732) or Lisa Ruiz, Principal (720 886-7714) for any questions concerning this communication.

All After School Clubs including Jazz Band and Symphonic Orchestra are cancelled until further notice
